“ Connie Nye Clark and her team at The Perfect Plan work tirelessly to create seamless events that match the style of the bride and her vision for her special day perfectly! I guess that's why it's called The Perfect Plan- and it all starts with hiring the right co-ordinator! Trust her experience and dedication and allow yourself some space to relax and enjoy the process!

I have been impressed with Connie Nye-Clark from the first telephone conversation I had with her. Her company, named “The Perfect Plan”, is the ultimate in “truth in advertising”. Connie has a rare ability. She actually listens to what her clients want and need, and also to what her vendors need. Connie and The Perfect Plan then provide the best in high expectation event planning that money can buy. Connie works tirelessly to ensure that every one of her clients feel like they are the only clients she has. I have worked closely with Connie for the last several years, and she is the ONLY wedding/event planner I have or would recommend to my exacting clientele, and certainly the only one I would use personally.

I have worked with Connie several times. It is definitely not a coincidence that these are the best weddings of the year for me and the guests. Couples love Connie’s attention to detail and are able to relax as they know they are in the best hands. If you want the best go with The Perfect Plan!
